QUOTE OF THE MONTH

"What is nice about the SENIOR TOUR is you can't remember your bad shots."

-Bobby Brue
Member of the Senior PGA Tour

THE PRO'S VIEW:

Continuing our series on how to best manage your play at Monterey Pines Golf Course, this month our focus is on:

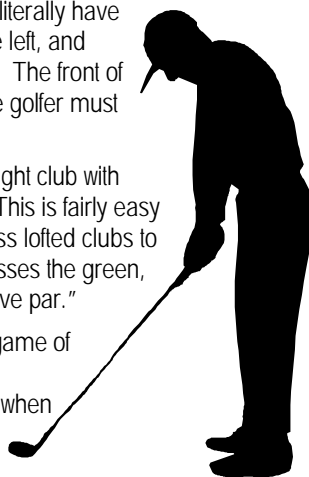

Hole #11 142 Yards, Par 3

Playing the hole for the very first time is an experience. You literally have to search for the green— it's tucked between the trees on the left, and bordered with bunkers and out of bounds stakes on the right. The front of the green is guarded by a bunker and a very tall tree (that the golfer must hit over to have a chance for the green).

"Standing on the tee, there is only one option, selecting the right club with enough loft to carry all of the obstacles in front of the green. This is fairly easy for the better golfer, however, short hitters will have to use less lofted clubs to hit the ball far enough to reach the green. If your tee shot misses the green, you will be faced with a difficult pitch, sand, or chip shot to save par."

Remember, have fun, play smart and (most of all) enjoy the game of golf! Join us again next month when we talk about how to approach hole number twelve. Just one last quick reminder, when you finish playing a hole, please repair your ball marks and divots. Thanks!

We look forward to seeing you on the course at Monterey Pines!

The Rules of Golf: Rule 2. Match Play

2-1. Winner of Hole; Reckoning of Holes: In match play the game is played by holes. Except as otherwise provided in the *Rules*, a hole is won by the *side* which *holes* its ball in the fewer *strokes*. In a handicap match the lower net score wins the hole. The reckoning of holes is kept by the terms: so many "holes up" or "all square," and so many "to play." A *side* is "dormie" when it is as many holes up as there are holes remaining to be played.

2-2. Halved Hole: A hole is halved if each *side* *holes* out in the same number of *strokes*. When a player has *holed* out and his opponent has been left with a *stroke* for the half, if the player thereafter incurs a penalty, the hole is halved.

2-3. Winner of Match: A match (which consists of a *stipulated round*, unless otherwise decreed by the *Committee*) is won by the *side* which is leading by a number of holes greater than the number of holes remaining to be played. The *Committee* may, for the purpose of settling a tie, extend the *stipulated round* to as many holes as are required for a match to be won.
